RE: Timely Renewal Letter for Radioactive Material License R04100  
License R04100 CN600616890, RN101702439

Dear Mr. Cartwright:

This is to acknowledge that Radioactive Material License No. R04100 is in timely renewal status; a renewal application was received in a timely fashion, but the renewal application has not yet been reviewed by the TCEQ. Therefore, Waste Control Specialists is hereby authorized under the provisions of Title 30 Texas Administrative Code (TAC) Section 305.65(4) to continue to operate under the authorizations of the current license until the Commission has completed action on the renewal request.

This letter should be retained as verification that license number R04100 remains valid until a renewal amendment is issued or the request is denied.

If you have any questions, please contact Hans Weger at (512) 239-6465 or by email at [hans.weger@tceq.texas.gov](mailto:hans.weger@tceq.texas.gov).

Sincerely,

A handwritten signature in blue ink that reads "Ashley Forbes".
